WORK EXPERIENCE

Construction

Family Construct / Apr 2018 - current / Newberg OR

- Examined materials and structural units to make sure that they are in compliance with provisions of building code and local ordinance while minimizing their cost.
- Performed a broad range of construction labor and assisted skilled sub-contractors in completing residential construction projects.
- Loaded, unloaded building materials, machinery, or tools, distributing them to the appropriate locations, according to project plans or specifications.
- Maintained site cleanliness through organizing equipment and disposing of excessive materials.

Volunteer Work

Chemeketa CC / Apr 2018 - Mar 2019 / Salem OR

- Worked with community members at Marion Polk Youth Farm in planting produce that was distributed to food pantries, partnering health clinics, youth farmers and their families.
- Planned and coordinated with a group of 15 other volunteers along with Public Safety of Chemeketa Community College in hosting Chemeketa's annual Public Safety and Jobs Fair.

PROJECTS

Twitch Statistics Web App

Developer / Jan 2021 - current

- Utilizing the Twitch API to track statistics on channels such as stream-specific statistics, channel-specific stats as well as displaying content created by the channel streamer.
- Used: C#, HTML/CSS, Javascript
